Objectives

Our Retreat Theme "**License to Shine**" was inspired by the **title** of a James Bond, 007 movie. It wraps into our goal for this weekend WHICH IS to re-instate God's will for us to shine amongst others in faith, to share our love and faith in our daily lives and to be confident and ACT as a follower of God.

We want to CHALLENGE our youth to live lives worthy of their calling in Christ Jesus.

We all have been given a license to shine. COME as we grow to shine even brighter!

A very important part of this year's retreat is after we return back to Brantford. We hope to end our retreat, right here with our church community of Hope CRC with an evening youth service.

"In the same way,
let your light shine before men,
that they may see your good deeds
and praise your Father in Heaven.
Matthew 5:16
